FOCUS AREA

1 BUSINESS ECONOMY IN SURAT

Major portion of the revenue generated in surat is contribute by food industry. The city is chiefly known for it's vast food industrial zone. It has abundant small-scale as well as large scale food companies. As the city is quiet near to major cities like mumbai and ahmedabad, It attracts many companies to establish their business in surat. This is the prime reason of rapid food industrial growth seen in past few years.

2 BUYER & SELLER MEET

This section is a meeting place for national and international buyers hoping to source all industrial products and inhabit new technologies. Buyer and Sellers meet will allow both parties. be they national or international to interact directly, strike deal and establish lasting relationship. This not only furthers the growth of business but also the nation as a whole.
